

**Inc. Magazine Unveils Its Annual Exclusive List of  
America's Fastest-Growing Private Companies  
Astyra Corporation Ranks No. 888**

---

Inc. Magazine released an exclusive ranking of the nation's fastest-growing private companies on August 24, 2010. The list represents a comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs.

The 2010 Inc. 500|5000 is ranked according to percentage revenue growth from 2006 to 2009, with the minimum revenue being \$2 million for 2009.

Astyra Corporation is excited to receive this award for the second consecutive year, and improving our rank significantly from 1246 in 2009 to 888 in 2010!

"It speaks our ability to grow and remain relevant," said Ken Ampy, Astyra's CEO. "Our commitment over the years to people, process, and technology have paved the way for our growth; and with that foundation, we don't see it stopping".

"The leaders of the companies on this year's Inc. 5000 have figured out how to grow their businesses during the longest recession since the Great Depression," said Inc. President Bob LaPointe. "The 2010 Inc. 5000 showcases a particularly hardy group of entrepreneurs."

"Our hard work, fresh talent and dedication to Astyra's core values have contributed to our success." commented Astyra's President and co-founder Sam Young. "We are truly pleased with our team and anticipate continued significant growth".
